The SACOG board resolutions adopting these FTIP amendments certify that projects included meet all applicable transportation planning requirements per Title 23 Code of Federal Regulation (CFR) Part 450 and satisfy the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SACOG's Amendments Number 6 and 7. I also recommend that the Federal Highway Administration and FTA approve these FTIP amendments for inclusion into California's 2011 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in these FTIP amendments, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of these FTIP amendments and are shown for information only. Approval of these amendments do not constitute an eligibility determination of project for federal funding.

Please address any questions on this FSTIP approval request to Sadeqh Yazdi of my staff, at (916) 654-5987.

Sincerely,

RACHEL FALSETTI
